Please take the time to read through the below, which is applicable to you insofar as you are a data subject as understood by the EU General Data Protection Regulation (2016/679), briefly explaining how we process your personal data, before submitting the above form.

WHY WE NEED YOUR PERSONAL DATA - We need your and/or your child's personal data (the information you have provided to us in the application form above that identifies you or your child as an individual) to provide you with the requested services, namely to set up a bank account with us and/or to further provide you with the services you applied for above and other processing operations, including for the purpose of fraud prevention and compliance with regulations and legislation to which we are subject. Therefore, in this case, our legal bases for processing the said personal data are necessity for the performance of a contract with you and our compliance with our legal obligations. In the event that you or your child (where applicable) are applying for Merchant Acquiring Services, marketing communications and/or to participate in market research as listed in the relevant Sections of the form above, the legal basis we rely upon for processing the said personal data is your explicit consent. Where the Bank places marketing phone calls, such processing shall be necessary for the purposes of the legitimate interests pursued by the Bank.

YOUR CONSENT CAN BE WITHDRAWN AT ANY TIME by contacting us as explained in the relevant Section above. However, do note that withdrawing consent will mean you no longer receive direct marketing and/or market research communications from us containing our latest offers. In the case of Merchant Acquiring Services, your withdrawal of consent will only be effective if we have not yet transferred your personal data to the Merchant Acquirer in which case, we will ensure to not effect such transfer.
